

# Internship Opportunity

## Montana Department of Transportation Administration Division

Summer Accounting Internship available in the Administration Division in Helena. The successful candidate will perform work in Accounting Controls and Fiscal Operations. The opportunity to spend limited time in all areas of the division will be provided as a way to round out the internship experience.

The successful candidate will be entering their Junior or Senior year of school with a combination of interest and/or experience in professional accounting, governmental accounting, as well as business and finance. The successful candidate will gain valuable experience in governmental accounting while continually learning significant accounting skills as part of a professional team.

To apply for this internship opportunity please provide your resume and transcripts to [chstapley@mt.gov](mailto:chstapley@mt.gov)
